

Appl. No. 09/782,892

REMARKS

Claims 1-4, 7, 10, 14-17, 22-27, 29, 31-41, 44-47, 53-55, 57-60, 65, 78, 82 and 84-222 are pending in the application. In the Office Action dated October 29, 2003, the Examiner allowed claims 35-41, 44, 45, 60, 65, 78, 82, 84-222. The Examiner rejected claims 1-4, 7, 10, 22-27, 29, 34, 46, 47 and 57-59 under 35 U.S.C. § 102(b) as anticipated by U.S. Patent No. 5,456,627 to Jackson *et al.* ("Jackson"). The Examiner objected to claims 14-17, 31-33 and 53-55 as dependent on a rejected base claim, but indicated that the claim would be allowable if rewritten in independent form including all of the limitations in the base claim and any intervening claims.

Applicant again wishes to thank Examiner Rachuba for her careful attention to the present application and for her careful review of the prior art.

In order to expedite the issuance of claims in the present application, applicant is amending claims according to the Examiners' indication of allowable subject matter. It is understood, however, that the applicant does not agree with the rejections based upon the prior art, and is amending the present claims solely for the purpose of expediting the issuance of the subject matter that is indicated as allowable. Accordingly, the applicant reserves the right to present any of the claims in the present application in non-amended form in any continuation, divisional or continuation-in-part application.

Claim 1 is amended to include the limitation of claim 14. Claim 1 is now in allowable form. Claims depending from claim 1 are also allowable based upon the allowable form of the base claim and further in view of the additional limitations in the dependent claims. Claim 14 is cancelled without prejudice.

Claim 22 is amended to include the limitation of claim 31. Claim 22 is now in allowable form. Claims depending from claim 22 are also allowable based upon the allowable form of the base claim and further in view of the additional limitations in the dependent claims. Claim 31 is cancelled without prejudice.

Claim 46 is amended to include the limitation of claim 53. Claim 46 is now in allowable form. Claims depending from claim 46 are also allowable based upon the allowable form of the base claim and further in view of the additional limitations in the dependent claims. Claim 53 is cancelled without prejudice.
